75 Years of Porsche Sports Cars, Stuttgart

75 Years of Porsche Sports Cars, Stuttgart

- two events in one: Porsche “Mission X” world premiere and staging of the anniversary at Porscheplatz
- room-in-room concept, with content playout via media server on two LED walls
- camera accompaniment in the cars with simultaneous live stream transmission
- live interaction of the moderation with the projection on the glass facade of the museum
- PA system with different localisation levels
- audio, image, lighting and control signals converged in the central control room and a monitoring van
- approx. 600 spotlights in, on and around the museum
